
New Rex Projector!

Our digital projection system was bought secondhand and is now ten years old. It has given us great service but parts are no longer available. We therefore need to raise funds for a new projector to ensure we can keep movies on the screen. We have obtained three quotes and will need to raise about £30,000. Viridor Credits have provided wonderful support over the years and we intend to apply to them for grant aid but we will need to raise about £10,000 as match funding. Please help us keep film alive at The Rex.

All donations will be gratefully received. As we are a Charity, Gift Aiding your donation enables us to reclaim the tax too!

Please make cheques payable to the **“Rex Cinema Committee”**. All those donating will be invited to a special digital launch.
