

Phase 3 Improvements

Since the Charitable Trust took over The Rex Cinema in 2009 we have undertaken a number of improvements including introducing digital projection, a new sound system, improved heating, on-line icketing, satellite receiver for live shows and refurbished the auditorium. This has all been possible thanks to your generosity and that of our sponsors.

More remains to be done. Our toilets need to be suitable for the disabled, our stairlift needs renewal, the bar needs improvement and the rear of the building needs repair. The cost of these repairs and improvements is about £100,000. We already have some sponsorship from the Co-op Community Fund and Sainsbury's have chosen us as their local charity for their 150th anniversary but we need to raise the remainder.

Any donations towards these improvements will be gratefully received. As we are a Charity, Gift Aiding your donation enables us to reclaim the tax too! Please make cheques payable to the **"Rex Cinema Committee"** or use the link on our website www.therex.co.uk.
